15 **FURTHER ORDER SETTING
16 BRIEFING SCHEDULE FOR
17 ATTORNEY'S FEES**

18 An order on May 20, 2010 (Dkt. No. 665), denied the parties' motion to extend the filing
19 dates for motions for attorney's fees and costs in this matter from May 24, 2010, to June 14, 2010.
20 That order is hereby **VACATED** and the briefing schedule for motions for attorney's fees modified
21 as follows. The briefing with respect to the Section 301 injunction issue has not yet been
22 completed. No later than **SEVEN DAYS** after the order deciding the Section 301 injunction issue,
23 each side may submit a single motion for attorney's fees of no more than 25 pages. These
24 motions should be limited to the issue of entitlement to attorney's fees, not the amount of fees
25 sought, and should address the entire case. The motions for entitlement to attorney's fees shall be
26 heard on a normal 35-day calendar. If it is subsequently determined that any side is entitled to
27
28

1 attorney's fees, a schedule shall be set for further briefing regarding the amount of fees due. The
2 previously existing schedule for briefing on entitlement to costs is unmodified by this order.
